SPECIAL FEATURES OF SCHOOL SYSTEMS

- Administrators and School Committees set and regularly review mission, vision, short and long-range goals. Administrators attend Leadership Conference annually.
- Staff continuously pursue professional development.
- Open enrollment at elementary level (choice of school)
- Teaming at R.J. Grey Junior High School
- All seven schools are networked to each other and to the Internet; staff use current technology in management and instruction.
- Staff evaluate programs regularly; the districts support curriculum renewal through a research and development program.
- Community members actively participate in and support school programs, serve on advisory committees and task forces.
- Staff supervise a full range of extracurricular activities for students (see listings on reverse side).
- School-Business Community Partnerships include working relationships with area businesses, institutions of higher education and the Middlesex West Chamber of Commerce.
- Local foundation for athletics/extracurricular activities: ABSAF (Acton-Boxborough Student Activities Fund)
- Last year, the schools received approximately \$1.3 million in grants and other resources.
- Schools work with town(s) in Acton Leadership Group, Boxborough Leadership Forum and Acton 2020 (planning process).
- Acton-Boxborough Community Education is an asset to the school districts, offering a wide variety of programs for children and adults.
